### Chapter 1 by jackson wilson

An invite, an invite! For a job...no! I can't slip back to that life not after...never mind that, what do they want me to do now? "Dear friend we have a mission for you. Yes I know it may be difficult after what happened, but if you decide to accept you will be rewarded with 5,000 coins." I suppose I need the money...i'll write back saying i'll accept their genuine offer.
